

Fresno Police Department Regional Training Center

Driver Awareness Instructor

January 10-12, 2024

Course Description:

This course is designed to meet POST requirements for Driver Awareness Instructor. Students will learn all facets of emergency vehicle operation relating to vehicle placement, skidpan, emergency steering and braking. Students will participate in driving slow speed exercises and learn how it relates to law enforcement driving. Adult Learning Concept information and how it is used in the classroom will be included. Successful completion of this course will require students to demonstrate a working knowledge of all the above skills by successfully driving each exercise and then teaching back what they have learned to students and instructors.
