# Sexual Assault for Dispatchers

## Sexual Assault for Dispatchers

*This course is designed for dispatchers and supervisors who are responsible for the receipt of sexual assault calls, the management of those calls, and the dispatch of first-responders. It provides up-to-date information to assist dispatchers in the safe and successful handling of sexual assault incidents.*

### Topics Covered:

- Common Beliefs and Myths about Sexual Assault
- Dispatcher's Role with the Prosecution
- The Dynamics and Effects of Sexual Assault
- Sexual Assault Response Teams
- Interviewing Victims
- Resources and Referrals
- Communicating with Victims
