Tuition: FREE

Fresno PD

6375 W Central Ave.

Fresno, CA 93706

Limited Seats Available

RSVP: CATSRP@ocdapa.org

DART is a hands-on, learner-centered course, focused on equipping officers with the tools to successfully detect and collect evidence of drug and alcohol related impaired driving, and to make meaningful connections between the officer's investigation and criminal prosecution. Students will participate in an alcohol correlation study (Wet Lab), familiarize themselves with the standardized test procedures for determining drug and alcohol impairment, and the course culminates with a mock trial to hone the students' courtroom skills.

This course has been approved for certification by the California Commission on Peace Officer Standards and Training (POST). The course control number issued for this course by POST is 5570-20280-24-012.
